A School of Excellence

MAHARAJA RANJIT SINGH PUBLIC SCHOOL

Baridih, Itki Road, Itki, Ranchi - 835301 (Jharkhand)

PROSPECTUS

From The Desk of The Chairman

At Maharaja Ranjit Singh Public School, we aim to facilitate every child's ambition to positively impact themselves, and the world around them. We will equip children on two fronts that we believe are essential to their development - self - awareness about aptitudes and interest, and a firm grasp over the fundamentals of every subject. Our objective is to guide the children towards becoming responsible citizen and worthy members of society by nurturing a sense of discipline and cooperation in them.

(Dr. Taran Singh)
Chairman

Principal's Letter

Dear Parents,

An educational institution carries the immense responsibility of shaping the future of mankind. Thank you for choosing Maharaja Ranjit Singh Public School for your child. Here at the school we aim to create an environment where students feel respected, appreciated, and loved by the teachers.

We will try to develop in the student's logical thinking and reasoning abilities so that they develop the qualities of self-control, self-confidence, and high moral values. We will enable the students to realize their innate qualities and potential so that they grow up with the ability to think independently and creatively.

I expect sincere and wholehearted cooperation from the parents and guardians for the attainment of the school's objectives.

(Gurmeet Kaur)
Principal

A Snapshot of Our School

On Itki road is the sprawling 2 acre campus of Maharaja Ranjit Singh Public School, just about 10 km from the state's capital Ranchi.

Spanning 96.86 km², the Itki CD block in the Ranchi sadar subdivision of the Ranchi district serves the educational needs of Itki. Located in one of the state's fastest growing areas, the block enjoys a diversified economic base.

There is a proposal to establish a branch of AIIMS, a multi-specialty hospital, and develop Itki into a medical hub.

There is a railway station at Itki on the Ranchi-Tori line. Ranchi airport is 15 km away from the block headquarters. Itki is a part of the Ranchi Plateau, most of it at an average elevation of 2140 feet above sea level.

As of now the school has a pre-primary section and a big playground. The specially designed architecture of the school building ensures that all the classrooms get natural light and proper ventilation. There is a sufficient number of washrooms, separate for boys and girls, and adequate facilities for purified drinking water.

Facilities like a basketball court, a lawn tennis court, and a badminton court have been provided on the school premises.

SCHEDULE
